

BUILDERS GIVING BACK

Frederick Rescue Mission Ribbon Cutting

A decades-long problem in the city of Frederick is finally fixed. Thanks to many members of the Frederick County Building Industry Association and other key community leaders who stepped up to help complete a major "drain and pave" stormwater management project at the mission. Home Builders Care proudly lent its help to transform the uneven gravel parking lot into a more accessible and well-draining space to better serve thousands of families in need with food, clothing and shelter.

Have You Heard? HBCF Board Member Dave Lunden featured on the ProFiles Podcast

Listen in as Dave talks with Tom about his positions as a Timberlake Homes division president and Home Builders Care Foundation, Inc. board member. The ProFiles Podcast features contractors and remodelers sharing their stories and expertise.

EPISODE 4: DAVE LUNDEN

Q1 2023 News

official charity of the Maryland Building Industry Association

In 2022 we took on 9 projects for nonprofits that annually sheltered 771 persons in crisis and served thousands more with additional means of support.

A few of our 2023 Projects

- 1** ANNE ARUNDEL COUNTY - Interior renovations at a transitional home for formerly homeless men.
- 2** HOWARD COUNTY - A new accessible front entrance is being built at a new group home for disabled adults.
- 3** PRINCE GEORGES COUNTY - A domestic violence safehouse is getting some much needed exterior improvements
- 4** BALTIMORE COUNTY - Water-damaged bath & laundry rooms will be reconstructed for improved safety and functionality at a group home.
